## Okefenokee RESA Endorsement Application Instructions

According to GaPSC Rule 505-3-.01, Endorsements are, “A planned sequence of courses and experiences, typically of three (3) to four (4) courses in length, designed to provide certified educators with an additional, specific set of knowledge and skills, or to expand and enhance existing knowledge and skills. Successful completion of an endorsement program results in the addition of the endorsement field to the Georgia educator certificate.” All endorsements and programs have job-embedded practice. Candidates must ensure that they can accomplish the clinical practice required for each endorsement or program, which will require working with students and staff, as applicable.

Endorsement courses are different from a single-day workshop. Endorsement courses are in-depth studies into the topic of the endorsement. They are considered the same level as a college course. It is strongly recommended that candidates not be enrolled in any other type of program while they are completing an endorsement.

To be approved for an endorsement program, register for the first course in the endorsement online at [www.okresa.org](http://www.okresa.org) AND submit the following:

- Completed application (please be sure all sections 1-4 are complete and signed)
- Copy of Teaching certificate
- Completed OK RESA Endorsement Candidate Agreement

**Submit all documents to Jennifer Hale at [jhale@okresa.org](mailto:jhale@okresa.org).**

Once enrolled, expect an email from GaPSC with instructions on how to log into your MyPSC account and accept Ok RESA as your program provider.

## Endorsement Program Policies

### *Class Attendance*

The format of the endorsement courses is designed to maximize opportunities for class discussion; therefore, attendance is essential. Candidates are expected to arrive at each session on time and to remain for the scheduled time. Candidates who must be absent or tardy must contact the course instructor **prior** to class.

Due to the structure of the course, candidates may miss **one** face-to-face session from a course and still complete the course. Reasons for missing a face-to-face session are limited to personal or immediate family illness, family emergencies and mandatory school activities verified by the principal at least 1 week in advance. Any assignments due the night of a missed class must still be submitted on time and all work from the missed class must be made up by the candidate.

Online courses function similarly to blended courses in that they have mandatory meeting dates (online). Candidates may miss one online session from an online course and still complete the course. Reasons for missing an online session are limited to personal or immediate family illness, family emergencies and mandatory school activities verified by the principal at least 1 week in advance. Any assignments due the night of a missed class must still be submitted on time and all work from the missed class must be made up by the candidate. Attendance will be taken at each online meeting.

Candidates who miss more than the allowed absence may receive a grade of Incomplete for the course. Endorsement courses must be taken in sequence; therefore, a grade of Incomplete will delay the completion of the endorsement for one year.

### *Assignment Completion*

As professional educators enrolled in an endorsement course, it is expected that assignments will be completed on time. Course instructors will notify the Endorsement Coordinator if a candidate has incomplete, late, or missing work (including resubmissions). The Endorsement Coordinator will contact the candidate, his/her principal, and system personnel to ensure that the candidate completes the missing/late assignments. Failure to complete assignments on time may result in an Incomplete for the course. A grade of Incomplete will delay the completion of the endorsement by one year.

## OK RESA Academic Integrity Expectations

As professional educators enrolled in one of the OK RESA GaPSC Approved Programs, you have a responsibility to conduct yourself with the highest standards of honesty and integrity. Academic honesty is one of the most important characteristics of educators. OK RESA candidates are given the opportunity to achieve academically and professionally through an online or blended environment; therefore, it is very important that mutual trust exists between instructors and students. Honesty in all academic matters is expected from students. Attempts to cheat, plagiarize, falsify information, or receive credit for work you did not do is dishonest behavior and will be immediately referred to the Endorsement Coordinator. It is the expectation of all endorsements that the work submitted by the candidate is their own, individual work.

### Okefenokee RESA's Policy for Plagiarism

The participant's work should be his/her own and, unless noted in the assignment as a group activity, the work should be completed by the individual. If assigned individual work is determined to be anything other than the sole work of the participant, the individual will be reported to his/her district administration, at the minimum resubmit the assignment(s), and/or be dismissed from the course.

### *Withdrawal Procedure*

If it becomes necessary to withdraw from the endorsement, it is the responsibility of the candidate to do the following:

1. Notify the endorsement instructor.
2. Complete the Endorsement Withdrawal Form. This form requires signatures from your principal and system personnel (i.e., Gifted Coordinator, Curriculum Director, etc).
